VARSITY FOOTBALL

Rated an underdog at the beginning of the season, the Greyhounds pretty well fooled the experts by winning five of their seven games. Riverside, West Allis Central, Nathan Hale, and West Milwaukee fell easily before the swift onslaught of the Red and Grey gridders. After a nip and tuck battle with Whitefish Bay, Shorewood emerged victoriously with a 13-7 score. In the final minutes of the Cudahy game, the gridders and fans saw victory turned into defeat with a score of 12-7, and an undefeated streak of thirty-nine games was broken. Four days later, still shocked by the events of the week before, the Greyhounds lost a hard fought battle to Waukesha, 14-7.

Due largely to the hard work of Coaches Olson and Johnson, our team turned out to be a surprise to the whole conference. In losing the last two games the team tied for second place in the Suburban Conference. Sparked by two returning lettermen, Don Hull and Stan Heath, the team was shaped again into a powerful grid machine. The center position was well manned alternately by Phil Brachman and Selden Robinson, while the rest of a strong line was composed of Don Hull, Dick Eaton, Tom Hubbard, Ralph Stribe, Roland Kurth, Jack Nauman, Floyd Nuber and others. In the backfield the attack was led by the passing and running of Stan Heath, while Bob Maxwell, Al Schinner, Clayton Lenz, and Dick Brooks did their share in Shorewood's grid battles.

Chosen on this years All Suburban team were the three captains, Stan Heath, Don Hull, and Tom Hubbard, for their all around team play and good sportsmanship.

JUNIOR VARSITY

Between the freshman and varsity squads came the junior varsity, composed of sophomores and a few juniors. Due to lack of experience they were overwhelmingly defeated by East in the opener 37-8 and then lost to Whitefish Bay 21-7. Determined to avenge its earlier defeats, Shorewood

gave East a real battle losing 6-0 and displayed fine play in the final game of the season when they held Marquette to a scoreless tie. The training which the boys received should prove of great value in producing a high calibre varsity next season.

CROSS COUNTRY

Due to lack of experience, Coach Kurt Zander's thin-clads had a disappointing season. Although they won no meets, the boys got much needed experience which should form a championship team next year. Running against an experienced Port Washington team, the boys were defeated

15-40 and also lost to Wauwatosa 23-35. Shorewood finished in sixth place in the Suburban meet and fourteenth in the State meet. Awarded letters for their consistent work this year were seniors: Ray Cox, Dick Porth, Bob Frey, Desmond Deinberg and freshman, Herman Frenzel.

BACK ROW: Coach Zander, Carl Straight, Jack Mandelker, Bob Deitz, Henry Flertzheim, Bob Frey, Earl Sternke. FRONT ROW: Elwood Modrow, Herman Frenzel, John Lean, Glen Busack, Ray Cox, Desmond Dienberg.

VARSITY BASKETBALL

With only one returning letterman, Coach Olson had to build a squad out of last year's freshman and "B" teams. However, these contained much valuable material, so in spite of the inexperience of the team, the Red and Grey Cagers won five out of twelve conference games.

In the first non-conference tilt with Riverside, the Greyhounds lost a close battle by only one point, 25-24. Opening conference play against South Milwaukee, the Red and Grey quintet was again defeated by one point in a hard fought game. However, Shorewood got revenge against South Milwaukee in its second game by a score of 24-22. During the season in which the Greyhounds faced more experienced teams, they lost two games to the Blue Dukes of Whitefish Bay and split a pair with West Milwaukee and West Allis Central. Shorewood was victorious in their one game with Wauwatosa, and Cudahy, but lost another close battle to West Allis Hale. Waukesha, the outstanding team of the con-

ference, proved to be too much for the boys, who lost 37-19.

Entering the Regional Tournament at Wauwatosa, the Greyhounds overcame a stubborn team from Cedarburg, 19-13. Matched with Waukesha in the semi-finals, the quintet put up a hard fight, leading most of the first half. In the third quarter the Black-shirts got an edge and stalled, to win 33-29. The boys showed real drive and power in the last game of the season.

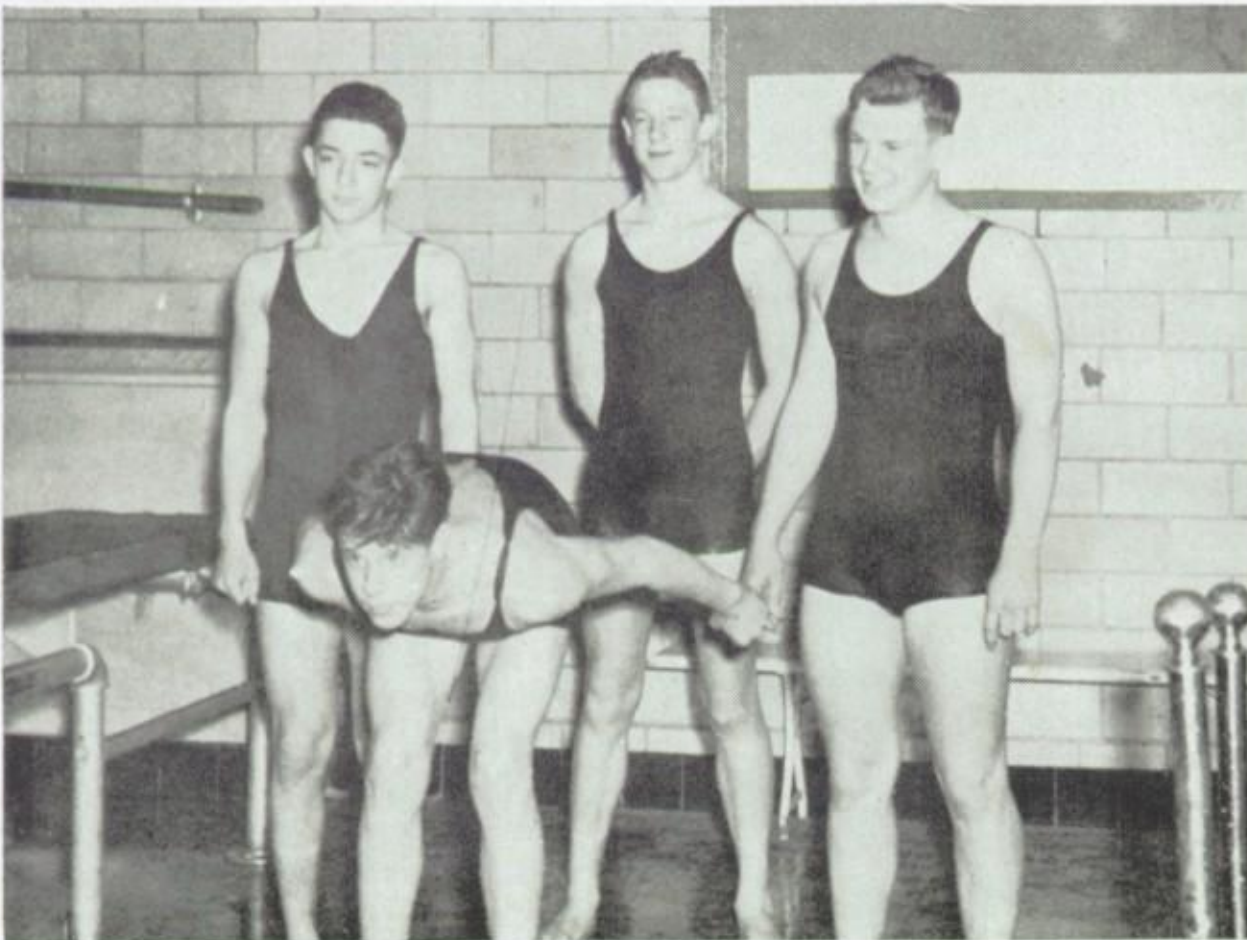

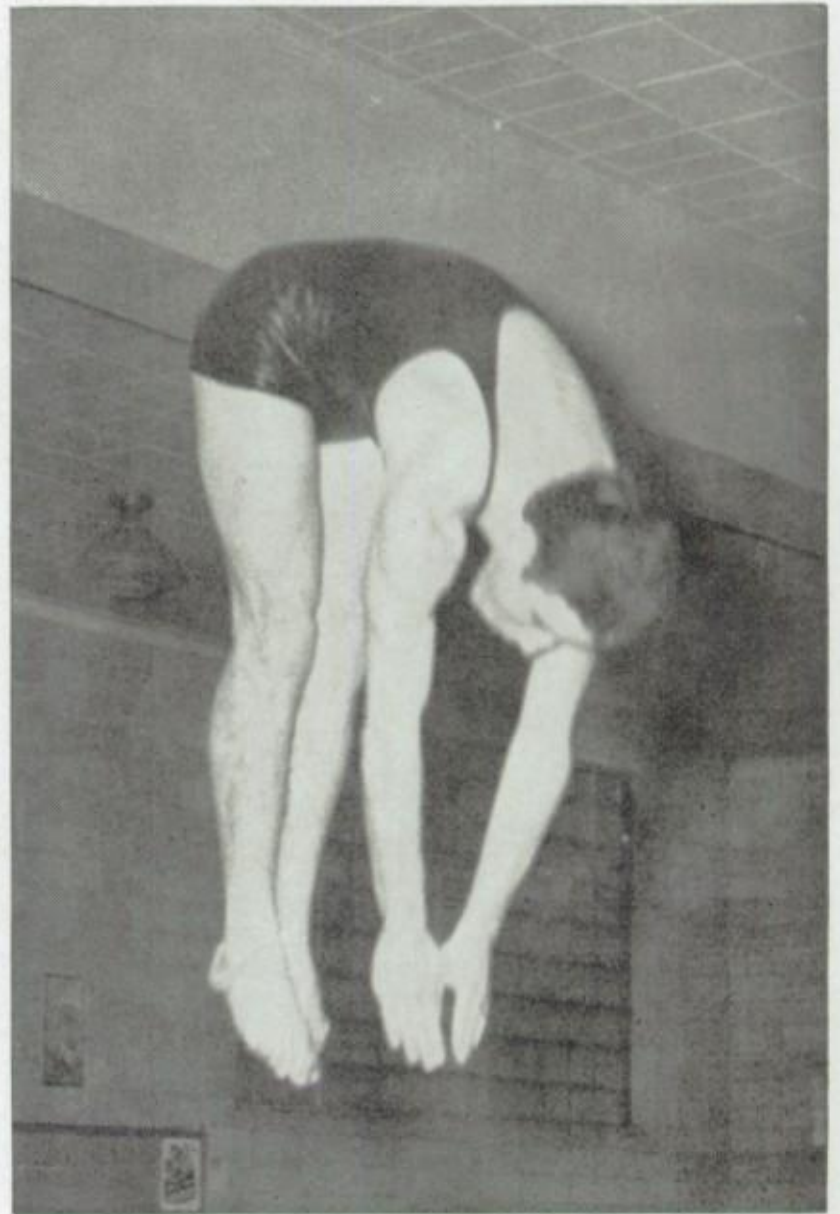

Captained by Bill O'Reilly, forward, the team was composed of one senior, four juniors, and five sophomores. Those awarded letters for their excellent all-around play were Captain Bill O'Reilly, Chuck Brynteson and Bob LaBudde, forwards; Roland Kurth and John Stock, centers; and Marv Roesler, Glenn Stolz, Bob Maxwell, and Al Schinner, guards.

The experience gained this season by the underclassmen should prove of immense value in building a high calibre team next year.

Chuck Rosenak, suburban 200-yard free style champion.

Jack Brooks, holder of suburban diving title.

Suburban champion 200-yd. relay team was composed of Laurie Eiseman, Ted Rosenak, Frank Smith and Jack Kraina.

BACK ROW: Coach Colosimo, Tom Kuehn, Dick Porth, Erv Dohmen, Dan Gruendler, Dick Brooks, Jay Christensen, Jack Kraina.
2nd ROW: Don Rumpf, Laurie Eisman, Don Diamond, Paul Dye, Chuck Rosenak, Jack Brooks, Rudolph Matzke, John Miller.
FRONT ROW: Frank Smith, Bill White, Harold Schmidt, Ted Rosenak, Bill Ferguson.

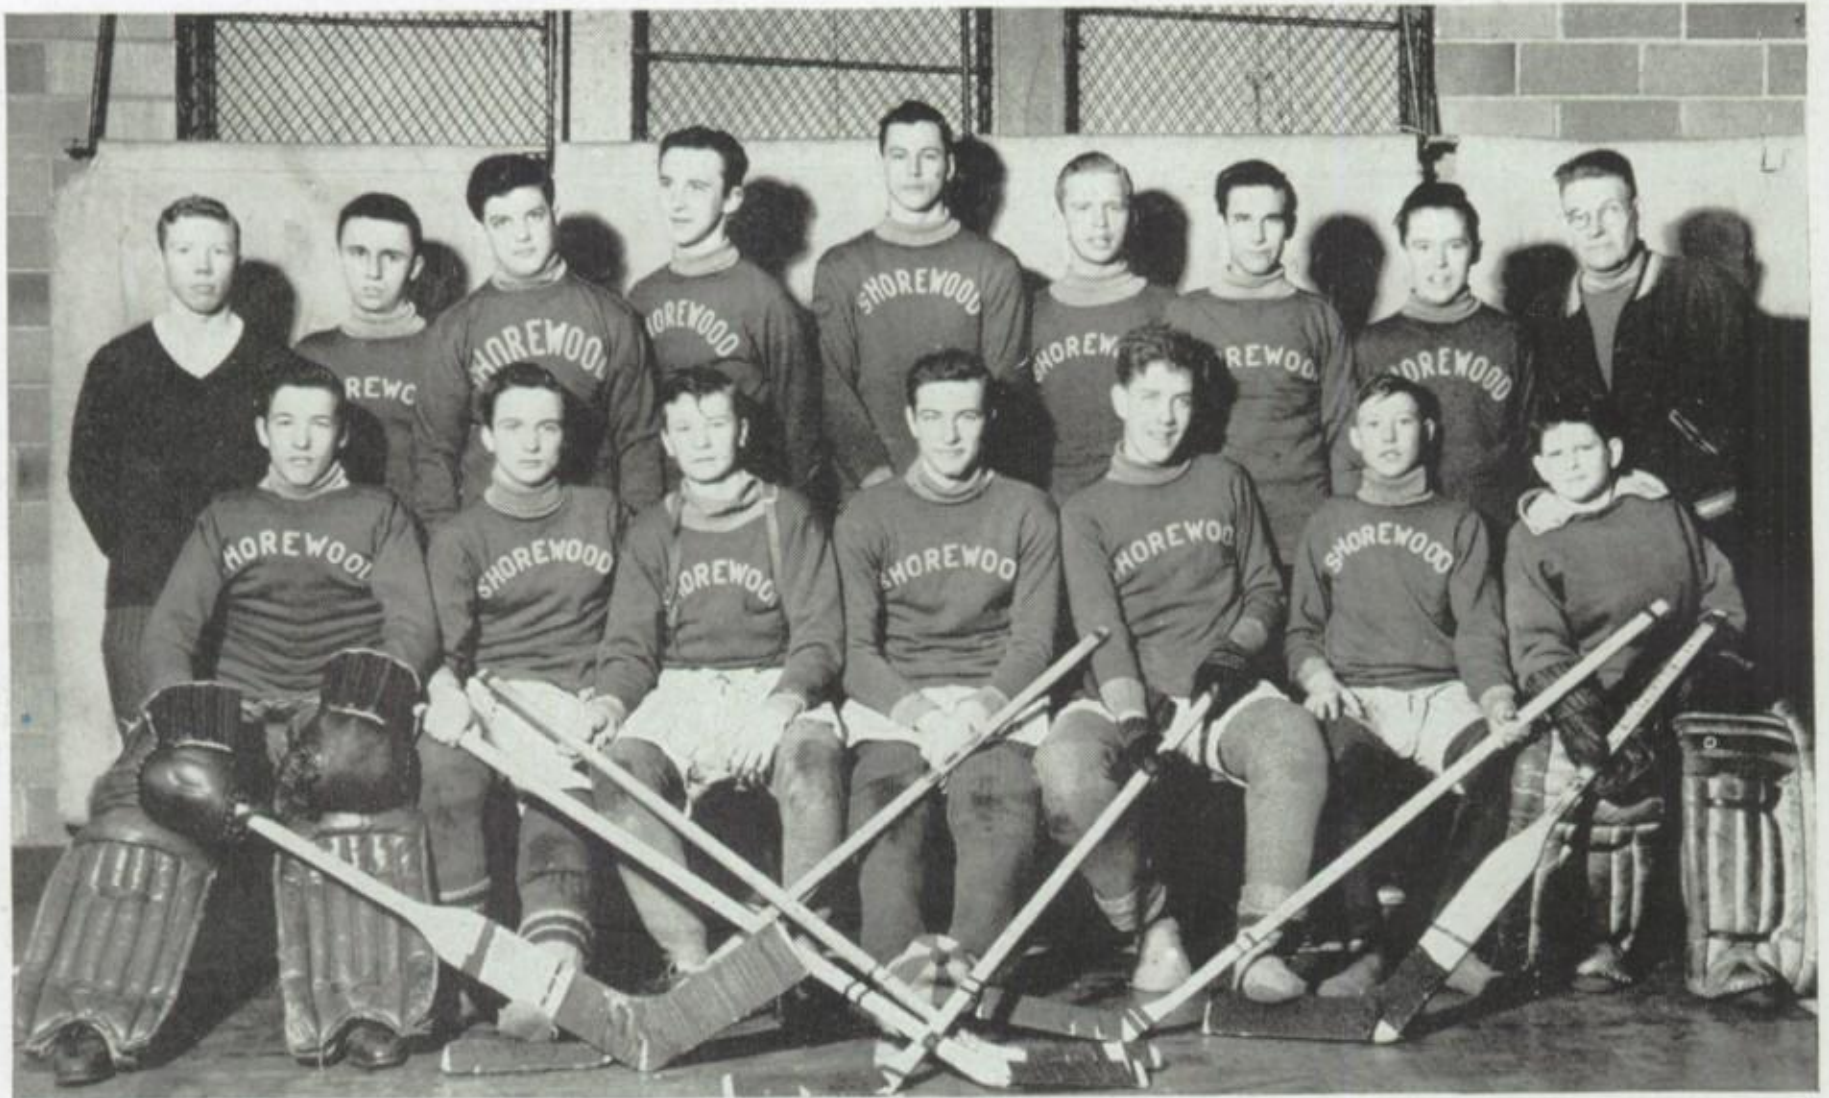

SWIMMING

Again this year with Admiral Pete Colosimo to guide them, the Shorewood swimmers finished a fairly successful season. Led by co-captains Jack Brooks and Dick Porth, the team won four of their seven meets, took second place in the Suburban Meet, and third place in the State. With only five returning lettermen, but lots of practice behind them, the Shorewood swimmers took on Bay View in the first meet of the season, and defeated them. Pulaski was not to be trifled with and the boys came out on the short end of a 47-36 score. Riverside and Cudahy proved that they were no match for the Red and Grey aggregation who beat them easily. In the clashes with Boys' Tech and Wauwatosa, who boasted powerful squads, Shorewood went down in defeat. To settle the score with Waukesha for defeats in football and basketball, the Red and Grey finmen churned their way to a decisive victory. Entering the Suburban Meet with determination to come through, the Red and Grey swimmers overcame all the opposition except Wauwatosa, and ended up in second place with sixty points. In the State Meet, matched against the top teams in the

state, Shorewood took third place, behind Wauwatosa and Kenosha.

Starting the season with five returning lettermen, the squad was again shaped into a strong team by Coach Colosimo. Consistent point makers were divers, Jack Brooks and Gene Préstin, free stylers, Dick Porth, Jack Kraina, Chuck and Ted Rosenak, and Frank Smith, while Bill Frank and Dick Brooks churned the waves in the back stroke. Others awarded letters for their good work in practice and meets were Dan Gruender, Jay Christensen, Don Diamond, Laurie Eiseman and Tom Kuehn. Bill Scheller and John Miller received letters for two years' work as trainer and manager, respectively. Honorable mention was given to Erv Dohmen, Paul Dye, Bill Ferguson, John Imse, Rudy Matzke and Don Rumpf for their hard work and determination to stick with the squad.

This year's squad, which boasted no stars, proved to be well balanced in all departments, and the experience gained by the younger boys should help form another Championship team to take its place with those of the past.

BACK ROW: Bob McConnell, Jack Carney, Ken Wageman, Duane Krueger, Bud Beecroft, George Driggett, Bob Duke, Tom Krueger, Coach Erickson. FRONT ROW: Perry Driebus, Bob Olin, Bill Bavier, Ed Hoffman, Dick Weeks, Jim Krueger, Bradford Van DeVenter.

HOCKEY

This year Coach "Ocky" Erickson's boys took second place in the Southeastern Ice Hockey Prep League; with a record of six games won, three lost, one tied. The Red and Grey puckmen opened their season in a battle with Marquette and beat them easily, 6-1. The next game was with a strong St. Francis team, and after a nip and tuck contest the Shore-

wood boys found themselves on the wrong end of a 2-1 score. The Greyhounds then took on Messmer and St. Johns and defeated them by large margins. Country Day, the Strongest team in the League, was Shorewood's next opponent. The boys took them on and held them to a 2-2 tie. This tie with Country Day bolstered up the boys in Red and

Grey, and in their next two meets they beat Messmer for the second time and again trounced Marquette. Shorewood lost the next game with St. Johns. Nearing the end of the season, the Greyhounds, avenged their earliest defeat by St. Francis. In the last game of the year Country Day showed its power, and the Greyhounds lost 5-2.

The high scorer on the team was Eddie Hoffman, center, who led the boys to victory in many of their frays. John O'Neill and George Driggett also got their share of points. Duane Krueger, Tom Schneider, Perry Dreibus and Burton Goniou also received letters for their hard work with the squad, and Bob McConnell received a manager's emblem. This year's team was one of the best Shorewood has had in many years. Most of the lettermen will be coming back next year, and the experience gained during the past season should be important in developing a strong team in the future.

BACK ROW: Bob Gottschalk, Dick Brooks, Sheldon Brandtjen, Paul Dailey, Coach Erickson. SECOND ROW: Elwood Modrow, Eric Seiler, Bob Frey, John Spetz, Bill Orth, Don Watson, Willard Holz. FRONT

ROW: Jim Gabriel, Jim Fiedler, Herman Frenzel, Jack Murphy, Ken Dreher, Alan Hollingsworth, Joe Balistreri.

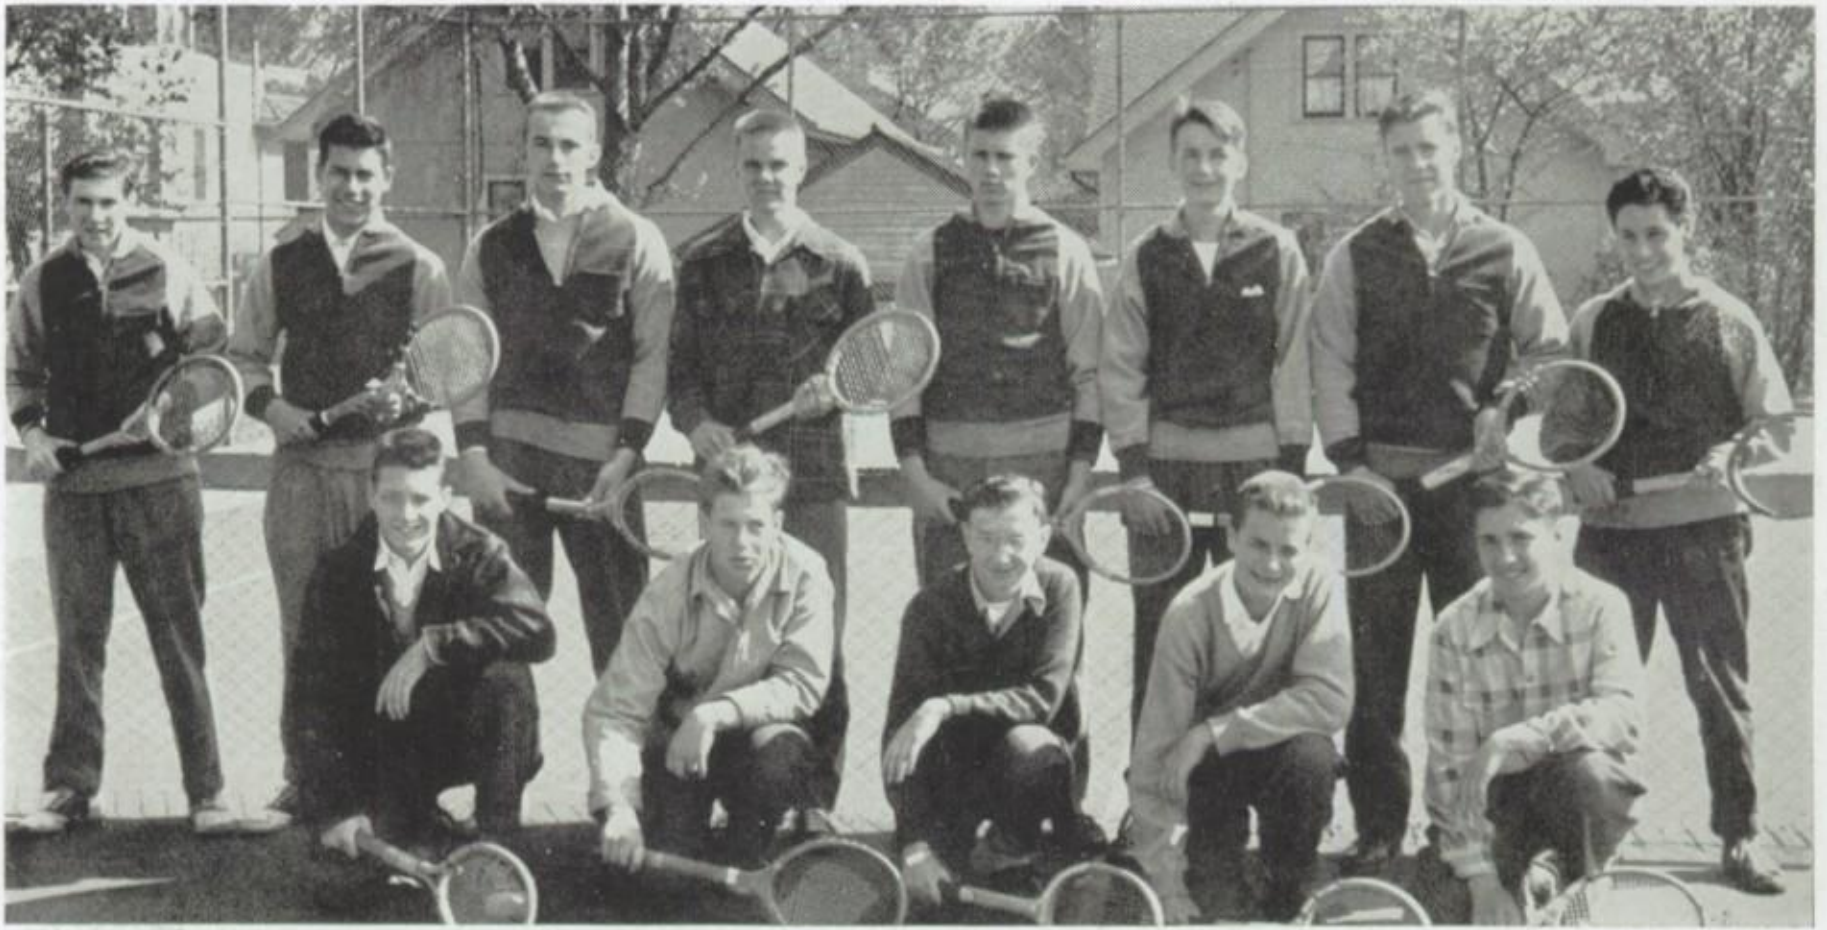

TRACK

The track team had a good season in which they lost only a few meets. Wauwatosa and Whitefish Bay proved to be constant threats and meets with them were always close ones. The squad was exceptionally strong in the 100 and 200 yard dashes, where Dick Porth and Chuck Mattefs alternately took first and second place. The Greyhounds' strong 880 relay team was rated one of the best in the state and could

always be relied upon to make a few points. It was composed of Porth, Mattefs, Bill Orth and Jack Murphy. The team was also strong in the high and low hurdles in which Dick Brooks and Roland Kurth were the leading contenders. The squad's weak spots were the distance events, the mile and the half mile, but Orth was a strong contender for the quarter mile.

Chuck Mattefs, Dick Porth, Jack Murphy, Bill Orth.

BACK ROW: K. Rosenthal, R. Schlossmann, R. Maxwell, C. Brynteson, R. LaBudde, J. Whittet, G. Stolz, T. Aliota. FRONT ROW: J. Welch, S. Temkin, J. Gross, R. Woodworth, A. Waisbren.

TENNIS

Coaches Kurt Zander and Bill Olson's '45 edition of the Greyhound racquetmen finished the season among the top contenders. Manning the three singles spots were Jim Whittet, Bob LaBudde, and Tom Aliota. Chuck Brynteson and Glenn Stolz comprised the number one doubles team, while the number two doubles spot was filled by Bob Maxwell and Ken Rosenthal.

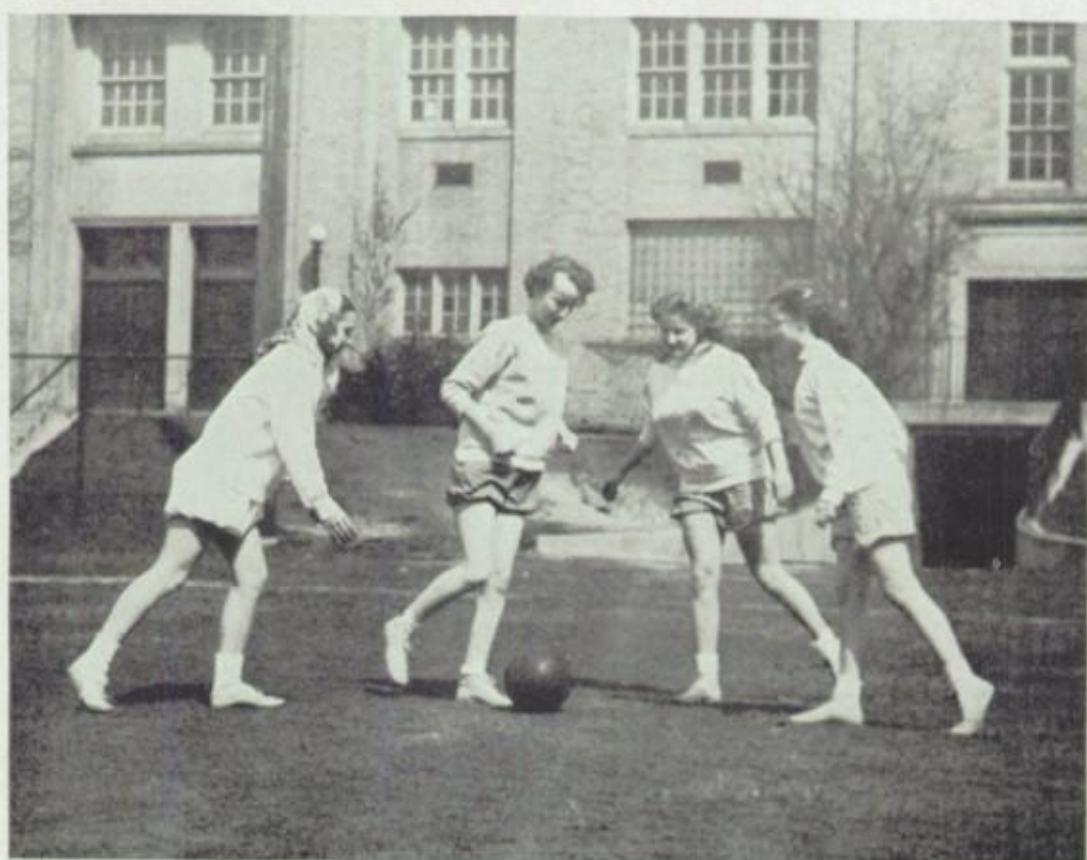

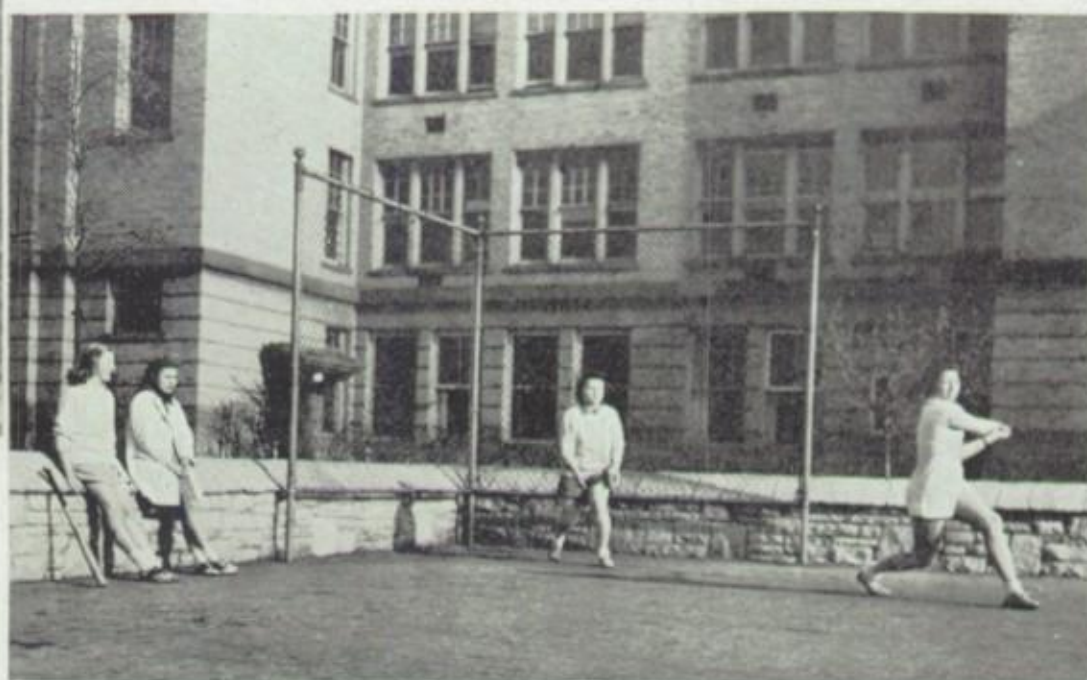

GOLF

Ole Gunderson's young divot diggers did not win many meets, but they gained valuable experience. Tom Larkin, senior, was the only returning letterman, and the remainder of the team was composed of juniors, Carl Winneman, Laurie Eiseman, and Marvin Roesler; sophomores, Dick Paulsen, Bob Schneider, Dick McGlynn, Ronald Anton, and Ralph Seelman; and freshmen, John Kurtz and Don Lang.

D. Bercey, M. Roesler, C. Winneman, T. Larkin, R. Paulsen, R. Schneider, L. Eiseman.

SPORTS

So they may referee all of the girls' sports efficiently, Miss Haensgen has the girls of Leaders' club play the games. In this manner they learn practical application of the rules of each game.

Graceful leaps are common when Miss Woerfel directs the Dance club in one of their beautiful dances. The girls use their creative ability in dance to express their feelings.

Members of Life-Saving club, directed by Miss Brock, are chiefly concerned with the safety of the swimmer. Rescues, hold-breaks, and artificial respiration are practiced until the girls are able to do them without hesitation.

Dearest Shirley:

I'm just sitting here thinking of what I should write. I remember the swell good times we had in swimming. Splashing you and getting you all wet. Remember the Splash Party. We've known each other for almost twelve years and still good friends, and I hope we will stay that way okay. Remembering our daily rides on our only way of transportation, that dear intuition. Remembering all the nice times that we had seats to sit down on, early in the morning.

Those dear old buses that always had so many seats for us to sit in.

And honey you still won't forget our freeze bet that we had. All those times that you were caught in the buses with not having your fingers crossed.

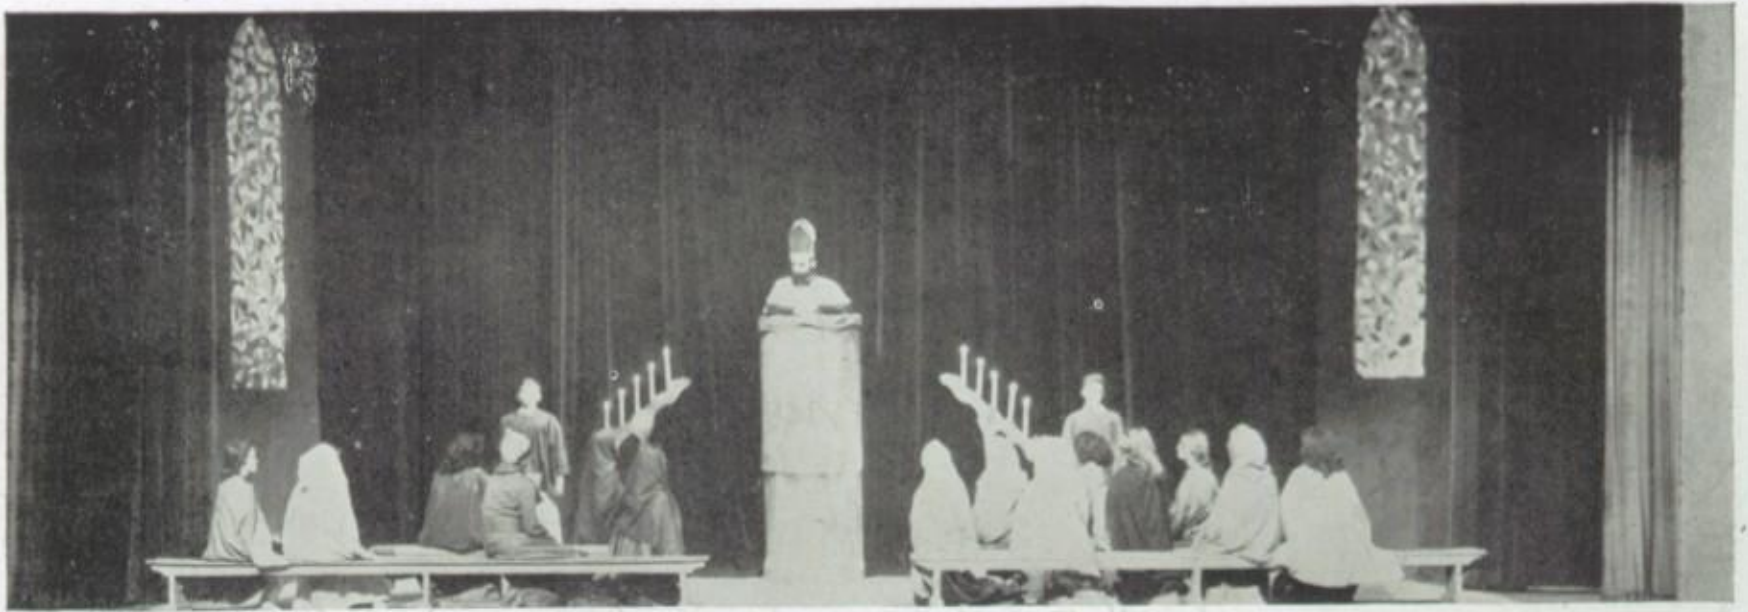

Well honey when we get married I hope to keep in touch with you.

Be seeing you next year. Good Luck in Future Years. Yours Always,
Betty (Bess)

(Lots of Luck with your Jeep.)

ACTIVITIES

The Christmas play given by the Dramatic club and the choir portrayed the nativity in Bethlehem.

"Woodmen, spare that tree!" Nothing is too good for the Christmas dance.

According to tradition the Glee club brought Christmas spirit into the halls of Shorewood High with carols.

ACTIVITIES

"Gloria", the story of the fourth wise man, following the star to Bethlehem, was presented by the Dramatic club at the annual Christmas assembly.

Veterans in hospitals received these Christmas cards, made by the members of the Junior Red Cross under the direction of Miss Ethelyn Robinson.

At Christmas when the O.P.A. clamped down on outdoor lighting, Mother Nature supplied us with this lovely tree for the holidays.

On November 17 and 18 the Dramatic club presented the classic "Pygmalion," by George Bernard Shaw. "Pygmalion" is the story of a Cockney flower girl, Eliza Doolittle, who was taken under the wing of Professor Henry Higgins, speech instructor, and turned into a fine lady. Mary Weimer had the coveted role of Eliza and Dave Weiss was Professor Higgins. Roger Boerner as Colonel Pickering; Chuck Rosenak as Mr. Doolittle, Eliza's father, and Joan Fairweather as the mother of Professor Higgins were among the other characters portrayed. Miss Rose Marie Mohrnick directed with the aid of Betty Risley, student director.

ACTIVITIES

"The Forest Prince" by Tschaikowsky was the Mixed chorus' operetta given February 16 and 17. Under the direction of Miss L. Marguerite House and Miss Rose Marie Mohrdieck, a double cast, headed by Betty Ann Houston and Elaine Brovan, as the beautiful Russian princess, and Bill Frank and David Knickel as Vaslav, the Cossack leader, gave us an entertaining evening.

The difficult Russian dances were staged under the direction of Miss Marie Woerfel. Marjie and Milan Blaskovics did a typical Cossack dance. Proceeds from the operetta were given to the prisoner of war committee of the Red Cross in honor of our boys who are in prison camps.

In an old Dutch garden by an old Dutch mill,
The Juniors and Seniors are dancing still.
In their memory it will glow forever more,
The Spring Formal of nineteen forty-four.

The evening of dancing was broken by the serving of refreshments to the dancers and also to the chaperons who had watched the fun from the sidelines.

ACTIVITIES

The class of '44 provided us with an entertaining evening in their production of "Stage Door." Every senior lent a hand as an actor or member of the vital stage, makeup or costume crews.

Sprinkling humor throughout the play, cast members kept the audience waiting for every word.

As the play progressed the seniors left the humor behind and brought the serious note to the foreground. Here Jane Kresge and Bill Kissinger give advice to troubled Clarice Bercey.

The annual Girl Reserve's Can Dance netted a large collection of canned soup and vegetables for the needy families of the village.

The familiar milk bottles had an important place in the Hi-Y's Penny drive which was held in December. The quota was given to the U.S.O. and the Red Cross.

Layettes and Christmas cards made by the members of the Junior Red Cross were given to the Red Cross for distribution.

"Have a heart and give to the Community Fund," was the slogan of the drive in which the homeroom collections put the school over its goal.

ACTIVITIES

Assembly training classes planned a variety of programs for the assemblies. Different than the usual type of program was the presentation of Langston Hughes, noted Negro author.

During the Sixth War Loan drive, Homeroom 236 sponsored a War Bond auction. Bob Greaves received a pledge from Joan Speyer for a puppy, the most prized article at the auction.

An "Information Please" type of program, with the general audience as contestants, was presented by the Speech class. War Stamps were given as prizes.

The ardent thousand or more subscribers break down the doors of the big gym to get the nation's number one book.

With just one film left, what else could Mr. Thurwacher do but take these seniors even if they were staff members?

ACTIVITIES

ART
EXHIBIT

The students' youth center opened for the first time on March 16 and it was a great success! Everybody found something that appealed to him; for many it was in the cafeteria where they could watch one of their fellow members play his "boogie woogie" or dance to one of the latest Tommy Dorsey recordings. The Early American room was opened for those who wanted to play cards, checkers, or chess and for all who wanted more vigorous exercise, ping pong tables were set up in the Little Theatre. - During the course of the evening, when thirst and hunger became unbearable, coke and hot dogs could be bought at the coke bar.

ACTIVITIES

The monthly paper drives, sponsored by the Block Captains, Hi-Y, and Student Council, netted many tons of scrap paper used for blood plasma containers, field ration boxes, and numerous other war vital packing cases.

The Girl Reserves collected eggs, cans of food, cakes, cookies, and other goodies for the U. S. O.

The United National Clothing Drive prompted villagers to turn their attics and closets inside out to find the sorely needed clothing for war torn countries.

NATIONAL HONOR SOCIETY

The National Honor Society is composed of juniors and seniors with an average of 2.0 or better. The members are chosen on the basis of their leadership, scholarship, service to the school and character. Every spring the new members

are selected from the seniors and second semester juniors by their teachers, fellow candidates and members of the society. The new members are officially received in to the organization at an all-school assembly late in May.

QUILL AND SCROLL

Ripples and Copperdome staff members recognized for superior work, are chosen as members of the Quill and Scroll, the international society of high school journalists. The election is approved by members of the group and the editorial advisers of the publications, Miss Bertha White and

Miss Janet Miller. Two elections are held each year, one in the fall and another in the spring. To maintain a high level in high school papers and yearbooks is the primary aim of the group.

Dear Shirley,

I really don't know what to say, but I do

wish you and Jerry the best of luck in the future.

I don't see why you want me to write, I mean scribble and blot up this whole page, but I will try my best

Love,
Wally Fischer
Custer '45.

P.S. To whom it may concern

P.S. I usually do not write in such a sloppy way, but tonight I am indignant (intoxicated) Ha! ha!

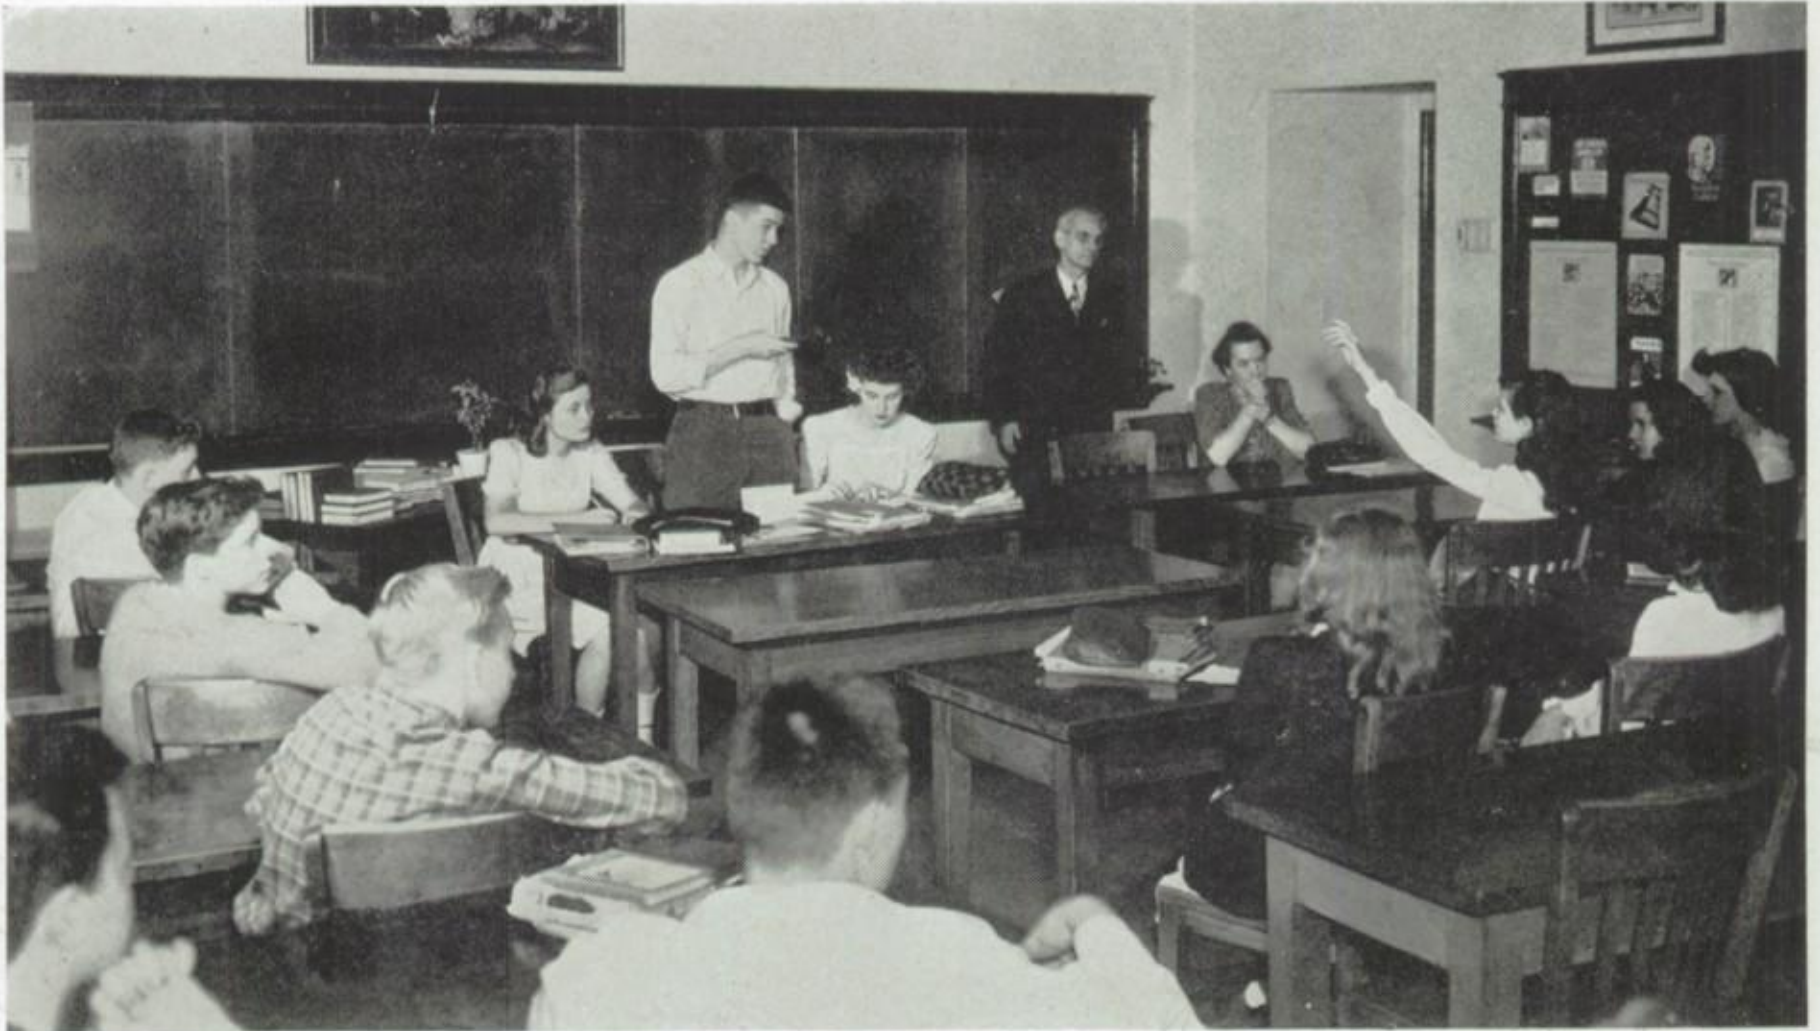

CLASSES

You know Shirley, it sure has been swell knowing you all these years. We had lots of fun already and it sure was fun, especially when Jerry was old.

Well, I guess you should be satisfied now with having me write the whole page. It is now 1:18 P.M. and I am home to be staggering home.

STUDENT COUNCIL

Head social chairman, Dorothy Messmore, had charge of all social functions throughout the year.

Though two of its original members are now in the service, the Student Court has taken good care of all who do not walk the straight and narrow path.

Halls committee heads supervise and control conditions in our corridors.

The Building and Grounds committee see that good care is taken of all lawns and edifices.

My Dearest Darling,

Just sitting here, looking at you and wondering what to write, makes me think of all the fun we have had this year. Not only in school but otherwise too. And I really consider myself lucky to have a friend such as you. I love you, honey, more than I do money. What would I do without you.

Remember the daily rides on the interurban and bus, the noon hours we spent together in the cafeteria, what seems we turned out to be in the library.

Darling don't forget our little promise. After we are married and are parted we are going to write to each other every week. Honey, can you keep a secret? Well, you had better keep this one. "As soon as a certain someone comes home again, little Janie is going to shed her single state, then there will be two. In other words she will be either "engaged" or "married". Maybe you will have to hurry to catch up to me.

Please pardon this goofy little note but I just couldn't think of a thing to say.

Bye now. Good luck in future years.

Yours Always. Joan

Hi Honey,

I've sure had a lot of a lot
of fun with you.

I'll never forget Brown Deer
this winter and the fun I've
had out there.

Do you remember our bet about
who can drink the most beer. (I
know you will win but lets have
it still anyway just for the fun of
it.

I wish I could have seen Jerry
when he was home. But maybe the next
time he comes in.

I hope I can see you a lot
next year. Good luck in your
Senior year.

I enjoyed keeping you company
in the library every noon.

I'll never forget Nightingale.
Remember the time you had a
bet with Emil about who could drink
deers.

Love
Kitty
